

## ULTRA DEGREASER™

*Solvents™ Ultra Degreaser™ is the most advanced industrial degreaser. Other degreasers may use HFE/HFC in combination with trans-DCE, but only Ultra Degreaser™ has been formulated to be the best possible balance of worker safety, environmental safety, cleaning performance, and cost.*

*Finally, a low toxicity cleaner that performs on par with regulated materials.*

*The product of choice when faced with changing environmental policies, without having to trade off between performance and cost.*
